Mr. Bensley :—I beg to present the Select Committee's report on this Bill but would leave it to the Council to decide when the revised Bill should be taken up for consideration.

Mr. Muthunayagom Pillai :—Since drawing up the report many valuable suggestions have been received which are better dealt with in a Committee than at the Council.

The members of the Committee are anxious to be allowed another opportunity of sitting on the Bill. Now that it has been resolved to postpone its consideration, I beg to move that, meanwhile, the Bill be re-committed to the same Select Committee for further consideration of details.
